

Dear Member,

2020 has provided many challenges in what has been an extremely difficult year. Victorians have dug deep and sacrificed a lot to get to this point where we are now returning to our favourite places and spending time with loved ones.

With 2021 just around the corner, RSL Victoria hopes to have your support for the new year by having you renew your membership as our Sub-Branches reopen across the state.

All members who renew their membership before the 22nd of December 2020 will enter the draw to win a new release Hyundai Venue just in time for Christmas!

We are grateful to have Hyundai Australia partner with RSL Victoria to bring youth chance to win this great prize this year.

Members can renew online at RSL Rewards or in person at their home SubBranch. Thank you to those who have already renewed for 2021; please note that those that have already renewed have already entered the draw.

Click here to renew today: <https://rslrewards.com.au/>

If you have recently renewed please ignore this message

We look forward to seeing you again in 2021!

Warm regards,

The team at RSL Victoria
